Dear MVMS Parents and Guardians,

Ready or not, November is here! It is hard to believe how quickly this school year is moving. As we approach the end of our first trimester, we want to thank you for your continued support and involvement in your student's education.

With trimester finals quickly approaching, we encourage parents and guardians to check in with their students about grades, assignments, and classroom expectations. **Please don't hesitate to call or email your student's teachers** if you have questions, concerns, or need clarification about class information. Our teachers are here to help, and we value the partnership between home and school.

Colder Weather Is Here!

The temperatures are dropping, but that doesn't mean we're staying inside! At MVMS, we believe fresh air, physical activity, and time outdoors are important for our students.

We will continue going outside for P.E., FLEX, and lunch whenever weather conditions allow. Please make sure your student comes to school with a warm jacket or coat and clothing appropriate for the colder temperatures.

After all, **everyone loves a little fresh air!**

Friday School — One More Opportunity Before Finals!

We have just **one more Friday School opportunity before trimester finals!**

Friday, November 6, 2026 | 9:00 a.m.–12:00 p.m.

Friday School is a great opportunity for students to receive additional academic support, complete missing assignments, and prepare for upcoming finals.

We encourage families to take advantage of this valuable resource if their student needs extra assistance. Parents and guardians are responsible for transportation.

Veterans Day Assembly — November 11

We are excited to honor the brave men and women who have served our country during our annual MVMS Veterans Day Assembly.

Wednesday, November 11, 2026
9:00 a.m. | MVMS Gymnasium

Veterans Day provides a wonderful opportunity for our students to reflect on the sacrifices made by our nation's veterans and to express appreciation for their service and dedication to our country.
