Dear Parents and Guardians,

We hope you and your family had a wonderful Winter Break. It's hard to believe we have already been back to school for a few weeks! It has been great to see our students again and to hear all of the fun stories from different families.

We are also excited to kick off **Boys Basketball season this week**. We wish all of our student-athletes the best of luck, and we encourage families to come support our teams throughout the season.

Please don't forget we will be holding our **Winter Parent Night on Thursday, January 22, 2026**. This is a great opportunity for families to pick up **midterm report cards** and visit briefly with teachers. If you need to schedule a longer conference with any teacher, you are more than encouraged to begin arranging those meetings now through the end of January.

In addition, we will begin **Friday School** this month. Friday School provides students time and support to complete missing work and improve grades.

Thank you for all that you do for Mountain View Middle School. We truly appreciate your continued help, support, and partnership.

Sincerely,

Mountain View Middle School Administration
