Fax: (208) 785-8823

Dear MVMS Parents and Guardians,

We want to sincerely thank everyone who attended our final Parent Night of the year. It was wonderful to see so many of you and have the opportunity to visit together. Your involvement and support make a tremendous difference in our school community.

As always, please don't hesitate to reach out to your student's teachers if you have any questions, concerns, or would simply like to connect. Open communication between home and school is one of the keys to student success.

We are hopeful that the warm and sunny spring weather is here to stay! With the change in season, this is a great time to review our school dress code with your student. If you have any questions, please feel free to call the school—we are happy to help.

A reminder that **Friday School** (9-12 pm) will continue through the end of the trimester. This is a great opportunity for students to receive additional academic support or complete missing work. **No lunch will be served, parents/guardians are responsible for transportation, and three teachers will be available to assist students**

If your student needs help with a specific assignment or subject, please make prior arrangements with their teacher so that information can be shared with the Friday School staff.

Lastly, don't forget that after-school tutoring is available. Monday-Wednesday from 4:00-5:00 pm. Two certified teachers can provide homework assistance and academic support.
