Dear MVMS Parents and Families,

Welcome to the **2026–2027 school year!** We are excited to welcome our students back to Mountain View Middle School. Our faculty and staff have been working hard to prepare for a great year at MVMS.

Please remember that we will have a **staggered start to the school year:**

- **Monday, August 24 – 7th Grade ONLY:** This will be the first day of school for our 7th-grade students. This gives them an opportunity to become familiar with MVMS, learn their schedules, meet their teachers, and get comfortable with their new school.
- **Tuesday, August 25 – ALL STUDENTS:** Our 8th-grade students will begin school and join our 7th graders for our first day with the entire MVMS student body.

Two-Hour Early Release

During the **first two weeks of school**, all schools in the Blackfoot School District will dismiss **two hours early**. For MVMS, students will be dismissed at **2:00 p.m.**

Our early-release schedule is slightly different from our regular schedule. To keep lunch times as close as possible to their normal times, students will attend **1st Period, 2nd Period, FLEX, and 5th Period before lunch**. A copy of the regular two-hour early-release schedule is included at the end of this letter.

We also have **two assemblies scheduled during the first week**, which will require additional schedule adjustments on those days. We know the different schedules can be a little confusing, and we appreciate your patience and flexibility. **Hang in there with us—we'll get through the first couple of weeks and settle into our regular routine soon!**

Updated Student Schedules

MVMS has experienced a **significant increase in student enrollment** this year. To accommodate our growing student body, we have added additional sections of **Science, Math, Language Arts, and Social Studies**.

Because of these additions and the necessary changes to our master schedule, some student schedules have changed from what was originally selected during registration.

All students will receive an updated class schedule on their first day of school—Monday for 7th-grade students and Tuesday for 8th-grade students. Please have your student follow this updated schedule.
