Dear MVMS Parents and Guardians,

Thank you for a wonderful first trimester at Mountain View Middle School! It is hard to believe that we are already wrapping up our first trimester of the 2026–2027 school year. We appreciate the continued support, encouragement, and involvement of our parents and guardians. Our students and staff have worked incredibly hard, and we are proud of the progress our students have made.

As we approach the end of the trimester, we want to share some important information about final exams, our Veterans Day Assembly, a change to our lunch schedule, and upcoming school activities.

First Trimester Final Exams

Our **first trimester officially ends on Thursday, November 12, 2026**, and our second trimester begins on Monday, November 16.

Students will be completing their core class final exams according to the following schedule:

- **Tuesday, November 10:** Language Arts and Science Finals
- **Wednesday, November 11:** Social Studies Finals
- **Thursday, November 12:** Math Finals and End of First Trimester

Elective class finals will be scheduled throughout the week.

Please encourage your student to finish the trimester strong by completing any remaining assignments, preparing for final exams, and communicating with teachers if they have questions or need assistance.

Important Second Trimester Lunch Schedule Change

Beginning **Monday, November 16**, we will be switching lunch periods for our 7th and 8th grade students.

Our new lunch schedule will be:

- **8th Grade Lunch:** 11:03–11:43 a.m.
- **7th Grade Lunch:** 12:07–12:47 p.m.

We believe this change will be beneficial for both grade levels by giving students an opportunity to experience both the earlier and later lunch periods throughout the school year. Our goal is to provide a fair and balanced schedule while continuing to meet the needs of our students.

We appreciate everyone's flexibility and understanding as we make this adjustment for the second trimester.
