Fax: (208) 785-8823

Dear MVMS Parents and Students,

We hope you have enjoyed a wonderful summer and are looking forward to the start of a new school year. As we prepare to welcome our students back to Mountain View Middle School, we are excited for another year filled with learning, growth, and success.

To help students and families get ready for the upcoming school year, we invite you to attend our **Back-to-School Open House on Wednesday, August 12, 2026.**

8th Grade Open House

9:00 AM – 11:30 AM

7th Grade Open House

12:30 PM – 3:00 PM

During the Open House, students and families will have the opportunity to:

- Pick up first-trimester schedules
- Pay any necessary school fees
- Have yearbook photos taken
- Practice opening and using lockers
- Tour the building and become familiar with classrooms and school facilities
- Meet teachers, counselors, administrators, and support staff

The Open House provides an excellent opportunity for students to become comfortable with their new surroundings before the first day of school. It also gives parents and guardians the chance to connect with staff members and ask questions about the upcoming school year.

We strongly encourage all students and families to attend. Starting the year with the information, resources, and confidence needed for success makes a tremendous difference. If you are unable to attend during your designated time, please contact the school office or stop by during regular office hours in the weeks leading up to the first day of school. Our staff will be happy to assist you.

Registration Reminder - Returning students and parents were asked to complete annual registration forms during the spring. If you still need to complete or update your registration information, please visit:

<https://www.sd55.org/student-registration> and complete the required forms through Infinite Campus.

Thank you for being a part of the Mountain View Middle School community. We look forward to seeing you on August 12th and are excited to begin another great year together.

Warm regards,
MVMS Administration
