Dear MVMS Parents and Guardians,

We are excited to be starting our **fourth week of school!** By now, our students are becoming more comfortable with their **new schedules, teachers, and daily routines.** Opening lockers, finding classrooms, and transitioning between periods are all becoming more familiar. We are proud of the growth and independence we are already seeing in our students!

Our **teachers and staff are always here to help.** If you or your student have questions or concerns, please feel free to email your child's teachers or leave a phone message. Our staff will respond as soon as they are able. **Communication and teamwork are important parts of helping our students succeed.**

Friday School Begins October 2

We would like to let families know that **Friday School will begin Friday, October 2, from 9:00 a.m. to 12:00 p.m.**

Friday School provides students with an additional opportunity to receive academic support, complete missing work, and get caught up on assignments.

- **Three general education teachers** will be available to assist students with homework and missing assignments.
- If your student needs to **take a test or work on a specific assignment**, please notify their teacher ahead of time so our Friday School staff can be prepared to assist them.
- **Parents/guardians are responsible for transportation** to and from Friday School.
