Dear MVMS Parents/Guardians,

We are almost to the end of the 2025–2026 school year! This has been such a fun and memorable year at Mountain View Middle School. I am so proud of your student(s). They have worked hard all year long while also making many great memories along the way.

We will begin finals this week:

- Tuesday, May 19 – ELA Finals
- Wednesday, May 20 – Social Studies Finals
- Thursday, May 21 – Science and Math Finals

Elective classes will also be giving finals throughout the week. Good luck to all of our students, and let's finish strong!

Summer school information will be handed out at the end of this week or on Tuesday, May 26. We will also send out a phone dialer notification to parents if their student needs to attend summer school.

As we approach the end of the school year, we want to remind students and families that good citizenship, respectful behavior, and positive choices will continue to be expected each day. Students who become involved in behavior issues or receive major discipline write-ups may be unable to attend end-of-year activities and celebrations. We encourage all students to continue showing kindness and respect to every student and staff member they come into contact with as we finish the school year strong.

Important Upcoming Dates:

- Wednesday, May 20 – MVMS Choir Concert at the BPAC at 7:00 p.m.
- Wednesday, May 20 – MVMS Science Fair in the MVMS Gym from 4:30–6:30 p.m.
