Dear Students and Parents,

We cannot wait for the 25-26 school year to start; we have a feeling that this is going to be a fun and exciting school! By working together with parents, we have had great success in helping our students learn and grow.

I want to welcome our new and returning students to Mountain View Middle School. I'm excited about the 2025-2026 school year that we will have together, and I know that it will be filled with lots of learning and fun.

This handbook contains essential information regarding our school and school rules as well as important district policies. Our priority is to maintain a safe and healthy school environment for all students. In order to do this, we ask that you carefully read the handbook and clearly communicate the academic standards and behavior expectations with your child; for the success of all students, it is important that your child clearly understands expectations and potential consequences.

At Mountain View Middle School, we aspire to be a family of learners that respects and cares about one another. In this environment, with this commitment to one another, we can accomplish more collectively than we could have done independently. I'm glad that you are a part of the MVMS family, and I know that each student will have a terrific educational experience this year. Please don't hesitate to make an appointment, stop by, or call if you have any questions or concerns.

Sincerely,

Wes Jensen

Principal

Mountain View Middle School

SET YOURSELF UP FOR SUCCESS!

We encourage students and parents alike to use the MVMS Student Handbook as an important tool to promote success. Many questions can be answered by referring to the student handbook.

Develop Good Study Habits

Attitude is Everything

1. Plan for a study time and place each day.
2. Communicate with teachers using a planner, email, phone, or in person.
3. Think positively!
4. Attend school. 95% attendance helps students be successful! Please stay home only if you are sick or contagious.
5. Set some goals and keep them in mind.
6. Eat BREAKFAST! This helps you focus and do better in school. Eat at school if time is a problem.
7. Be physically active, through aerobic exercise 20–30 minutes daily, 3 times per week. Exercise keeps your mind and body working well, improves sleep, energy levels, self-image, muscle tone, and appetite. Exercise helps you cope with stress and feel more relaxed and less tense.
8. Use time wisely. Plan for deadlines. Don't wait until the last minute when a project or assignment is due.
9. Break assignments into small parts.
10. Don't let yourself be distracted.
11. Take advantage of FLEX time, Friday School, and BFSB Diversity Center help.
12. Limit your social media exposure and be responsible and respectful with your posts.

Student Responsibility

Stay in touch with your grades and teachers through Infinite Campus and Google Classroom. These are web-based sites where students can access information about grades/attendance. Your student ID and password should be kept confidential. Please contact the main office if you have questions regarding how to access Infinite Campus, including obtaining or resetting your password.

Parent Responsibility

The staff at Mountain View Middle School is dedicated to helping students succeed in their education and is willing to do what is necessary to ensure student progress. We also recognize the importance of parent/guardian involvement in the education of students. Mountain View Middle School has the following expectations of parents/guardians:

1. Make sure your student attends school regularly.
2. Check in with your student's teachers (by phone or email) on a regular basis to access grades, performance on assignments, and behavior. You can also do this through Infinite Campus.

Working together we can help our students be completely successful in school.

Attendance

Parents,

Please call MVMS when your student is not going to be in school 785-8820! Mrs. Wright can mark attendance excused or pre-excused. We are careful to account for every student every day! The school may request a doctor's note after 4 days of illness.

Please see Board Policy #522F2 – District Discipline Policy Handbook

Students are expected to attend school every day. To earn credit, a student must be in class a minimum of 90% of the days of the grading period. MVMS runs on a trimester grading period. Students who miss more than six days in a trimester in any class will not receive credit in that class and will need to appeal for credit at his/her school. Students can earn back credit in the following way:

- a. Appeal for Credit – Students and parents can request a Credit Appeal Form from the MVMS office. Students/Parents will use the form to explain the reasons for the absences, how attendance or behavior has changed, actions taken, and why credit should be granted. A credit appeal committee consisting of a building level administrator, a counselor, an attendance officer, and teachers will review the application and decide. If credit is denied, the student may ask the committee for a face-to-face hearing to appeal the denial. All decisions of the committee are final.
- b. MVMS may place a student on an attendance contract after the student has missed six days during the trimester to assist the student in attending school regularly. Contracts may contain requirements of make-up work, Friday school, or study hall time. Students who break attendance contracts may lose credit for the class, be required to make up credits in summer school, or be assigned to an alternative educational program.

Students may be referred to the Bingham County Prosecutor's Office for excessive tardies or absences.

Definitions of Absences

- a. Absences can be due to illness, doctor and dentist appointments, funerals, school functions, pre-excused absences etc. Students are expected to make up all possible graded assignments within a reasonable length of time after an absence. Failure to do so will be reflected in the grade the student will receive for that grading period. (Refer to MVMS Incomplete Grade Policy on page 24.)
- b. Pre-excused absences are absences of five (5) or more consecutive days away from school. These must be pre-arranged with the administration or designee for the student to receive class assignments and homework prior to the absence. Students are required to turn in their assignments when they return to school.
- c. Truancy is an absence without permission from the parent/guardian or the school. A truancy will also result in a major discipline referral.

Emergency School Closure: It may become necessary during inclement weather for Blackfoot School District to cancel school. If the decision to cancel school occurs during the school day, the media will be contacted, and public announcements will be made so that parents may be alerted. If the decision is

made in the morning, prior to school starting, the information can also be obtained on the radio, TV, or the MVMS Facebook page. Parents - please make arrangements for your children's safety in the event they are released and sent home from school early.

Make Up Work: Students are allowed and encouraged to make up work when they have missed school for either an approved, pre-excused or for an excused absence. Students will be allowed to make up work in accordance with MVMS department guidelines.

School Hours: The normal school day for students is from 8:20 a.m. to 4:00 p.m. on Monday through Thursday. There is no school on Fridays. Students are encouraged NOT to come to school prior to 8:10 a.m. and should leave the building by 4:00 p.m., because supervision is not provided before or after those hours. ONLY those students who are involved in extracurricular activities or who are receiving help from a teacher will have permission to remain at school after school hours. Daily schedules may be modified for testing, assemblies, activities, or district shortened days.

They will secure a visitor's pass from the main office. Visitors are expected to abide by all rules and regulations while they are visiting. Students from other schools are not allowed to visit or attend class with MVMS students.

MVMS Tardy/Truancy Procedures

Students are expected to be on time to class, and prepared, and ready to work when the tardy bell rings. There is a five-minute period between each class to allow students time to travel to the next class. Music plays for four minutes, then turns off, which serves as a one-minute warning before the bell. All teachers will close their doors when the bell concludes.

- Any student not in the classroom before the doors are closed is considered tardy and must report to Room 308 for a tardy note.
- Students reporting to school late must check in with either the front office if they have an excuse note or to Room 308 if the tardy is unexcused.
- Students who are later than twenty (20) minutes to class are considered absent.
- Excessive excused check-ins will be addressed by the trackers/administration.
- Missed detentions may result in double the detention time.
- If a student continues to miss detentions, he/she may be suspended.
- Truancy Referral – Students may be referred to the Bingham County Prosecutor's office for excessive tardies and/or absences.

Counseling

School Counseling Services: School counseling services are available to all students, their parents, faculty, and staff members. The intent of these services is to help everyone achieve better self-understanding, reach his/her highest potential, and make effective social adjustments in relation to school success and activities.

Mountain View Middle School's counselors are Penny Pattee and Amber Serr.

Procedures to See a Counselor: For a student to meet with a counselor the following procedure should be followed:

1. Stop at the main office between classes or before or after school to sign up.
2. Make sure you give yourself enough time to get to class on time after you sign up. Do not expect an excuse slip from the office.
3. If the counselor is busy and the student elects to sit in the office, thus missing class, they will be marked truant. Students will not be given an excuse slip from the office or from a counselor.
4. If there is an emergency that must be taken care of prior to the end of the school day and the counselor is not available, the student should talk to one of the administrators, the resource officer, or a school secretary, who will alert the counselor.

Extra-Curricular Activities (Athletics, Music, Gifted and Talented, Honor Society, etc.)

Mountain View Middle School belongs to the Upper Snake River Valley Conference and abides by its rules and regulations. Participation may also require approval by school administration.

Eligibility: In order for students to represent Mountain View Middle School in any extracurricular activity, they must maintain a 2.0 (or higher) GPA for the current grading period. As of the 1st day of practice/tryouts students may not compete with or play on any other team and still maintain their eligibility for that sport at MVMS. There are consequences for the school and all teams when even one student violates this rule. Students who violate this rule will be removed from the team. (***) Cheerleaders need have a 2.5 (or higher) GPA for the current grading period)

Students must also conform to the following Upper Snake River Valley Conference rule (Rule 8-1):

To be academically eligible for athletics, a student must be enrolled full-time in his/her school and have received passing grades and earned credits in the required number of courses during the previous reporting period. Equivalency is determined by the following criteria:

4 classes available	must pass at least three
5 classes available	must pass at least four
6 classes available	must pass at least five
7 classes available	must pass at least five
8 classes available	must pass at least six

Note: Schools may adopt stricter academic eligibility policies.

MVMS students who do NOT meet the 2.0 GPA requirement may be placed on a 2-week academic contract. They may participate during those two weeks while they work to meet the GPA requirement. After the 2-week contract, administration may deem the student ineligible to play until the 2.0 GPA requirement is met.

Expected Behavior: All students representing MVMS on an athletic team or as part of a class-related field trip are ambassadors and representatives of MVMS and will be required to be on their best behavior while away from the school. All MVMS rules and procedures are in force while students are away from the school participating in school-sponsored activities. This includes behavior on buses and at other schools/facilities.

Insurance: Student accident insurance is available at a nominal cost and is optional. Coverage applies while participating in school-sponsored athletic activities. If an insured student is injured, he/she will be given a claim form from the District Office at 270 East Bridge Street. The school acts as the medium supplying the insurance forms and assumes no liability, either for the injury or subsequent negotiations with the company.

Required Fees and Forms:

- **Athletic Physical:** All 7th grade and 8th grade students who are participating in any extracurricular athletic program must have a physical prior to trying out for the team. Tryouts will be announced in advance so that there will be time to get the physical done. Please call the office if you have questions about when the physical needs to be completed. Physical examinations are good for two (2) years, except when entering school at the high school level. Use of the IDHSAA Health Examination and Consent Form for completion of physicals is highly encouraged.
- **Student Activity Card:** All students who participate in the school's extracurricular sports must have a current student activity card. Students who do not have this card by the first scheduled conference game will not be allowed to participate, including traveling to the game.
- **Sports Questionnaire:** Students will not be allowed to participate on any team until the Blackfoot School District Sports Questionnaire is filled out by the parents and returned to the school. This form must be turned in prior to the team's 1st practice.
- **Travel Fee:** Students are expected to pay a travel fee of \$40.00 for EACH sport/activity they are involved in. Parents may come in and make arrangements for the payment of this fee. Students who do not have this card by the first scheduled conference game will not be allowed to participate, including traveling to the game.

School Attendance and Participation in Extracurricular Activities: To protect the health and well-being of students who participate in school activities, students who are not in school the day of a school-sponsored activity will not be permitted to participate or play in any performance or game held during the school day or evening. Students who have pre-excused absences for doctor or dental appointments will be excused from this policy with a doctor's note. Participation may also require approval by school administration.

Student Behavior Expectations

Students learn best when they and others are respectful, ready to learn, responsible, and build positive relationships with each other by being kind and considerate. These expectations cover class time, passing time before and between classes, FLEX activities, lunch, recess, and after school activities including games. MVMS students are expected to do their part in creating an environment where everyone feels safe and able to participate.

Classroom Behavior

If a student is unable or unwilling to be respectful or cooperative, a staff member will send the student to room 308. Referral to room 308 can be a minor discipline referral or in some cases simply an emotional break for the student. Room 308 is a classroom set up for students who need to leave their regular classroom environment and need a different place to complete their work. Students can only be assigned to go to Room 308 by a teacher, classroom paraprofessional, or administrator. Being sent to Room 308 may be considered a “Minor Discipline” as outlined below.

Students may be sent to room 308 for any of the reasons included here, but not limited to:

Student refuses to obey a teacher
Not following classroom rules
Use of inappropriate language

Disruptive behavior
Preventing other student(s) from learning
Anything that distracts from learning

Minor and Petty Discipline Problems

Please See School Board Policy 522F2 – District Discipline Policy Handbook

Petty offenses are handled by the individual teacher according to his/her classroom rules. A petty offense can become a minor offense if the teacher feels it cannot be handled by any other method.

Minor discipline problems are acts that, unless repeated, would not justify referral to the principal or result in suspension or expulsion. It is recommended that, at the first occurrence of a minor discipline problem, the staff member hold a private conference with the student. On the second offense, the staff member should confer with the parent/guardian by telephone or mail. The third offense may be referred to the principal as a major discipline problem.

Major Discipline Problems

Please See School Board Policy 522F2 – District Discipline Policy Handbook

Major discipline problems will be referred to school administration. The administration (or a designee) will contact the parents/guardians to discuss the student's behavior and possible consequences. Any major discipline issue may involve the School Resource Officer (SRO).

Major discipline problems may include but are not limited to willful disobedience, extortion, damage to property, disruptive behavior, fighting, profanity, vulgarity, a dress code violation, and repeated minor offenses.

The procedures for handling major discipline problems are as follows. Any step(s) may be skipped and action initiated at a subsequent step if the seriousness of the problem warrants such action. Please note that parents/guardians will be notified at each step.

- Step 1 or 1st Offense: Student/principal conference. The principal may assign any discipline actions he/she feels fits the behavior. Notify parents/guardians. May lead to exclusion from end-of-trimester/end-of-year activities. Disciplinary actions taken by the principal may include work detail, loss of recess/privileges, letter to parents, reimbursement, apology, parent phone call, in school suspension, out of school suspension, detention, and referral to law enforcement.
- Step 2 or 2nd Offense: Short-term (1 to 3 days) suspension or in-school suspension (ISS), detention, or special assignments. Notify parents/guardians. May lead to exclusion from end-of-trimester/end-of-year activities.

- Step 3 or 3rd Offense: Long-term (3 to 5 days) suspension or in-school suspension (ISS) and any action deemed necessary by the administration. Notify parents/guardians. Exclusion from end-of-trimester/end-of-year activities.
- Step 4 or 4th Offense: Five-day suspension. Notify parents/guardians. Exclusion from end-of-trimester/end-of-year activities.
- Step 5 or 5th Offense: Administrator will meet with the parents to notify them of a referral to the superintendent and the board of trustees for possible expulsion. Students may serve an in-school suspension and /or be suspended out of school until the hearing with the board of trustees. The student may also be assessed on any action deemed necessary by the administration.

Harassment, Intimidation, Bullying (HIB) (BSD Policy 506/506.5):

1. Intimidation, bullying, or cyberbullying of any person with the threat of violence will not be tolerated. Violence is described as any word, action or gesture that hurts a person's feelings, body or property. Step 6 or 6th Offense: Referral to the superintendent and the board of trustees for possible district expulsion. Students may serve an in-school suspension and/or be suspended until the hearing with the board. The administration may assess any other punishment deemed necessary before the expulsion hearing.

Students and parents are encouraged and expected to report any known bullying/harassment incident to a school staff member. All school staff members have access to Incident Reporting Forms that will be given to administration. Students and parents have access to Incident Reporting Forms on the school district website or from the front office. Students and parents may also call school administration or counselors at any time to report concerns.

Alcohol/Drugs/Paraphernalia (BSD Policy 504): Students' possession, use, distribution (giving away or selling), or being under the influence of any controlled substance, illegal substance, alcohol, or any intoxicant of any kind will not be tolerated. Any incident in which a student knowingly hits, shoves, or in any way causes physical abuse to a staff member, anyone acting on behalf of the board of trustees or school district, and/or any employee of a contractor who is doing business with the school district will be handled in the following manner.

The procedure for handling threats to health safety and well-being are as follows. Any step(s) may be skipped and action initiated at a subsequent step if the seriousness of the problem warrants such action.

determine whether formal charges will be filed.

4. The principal, after consulting with the staff member involved, may arrange a meeting with the student, the parent/guardian and the superintendent. At that meeting, the principal will present a report of the incident and make a recommendation/plan to move forward. The superintendent will then make the final decision and take appropriate action.

SEARCHING STUDENTS

In compliance with District Policy 543, school officials may search a student's person or possessions if there is reasonable suspicion of illegal items or items in violation of district policy. MVMS administration conducts no-touch searches. A metal detector may be used. Students may only be asked to remove coats or jackets.

DANGEROUS WEAPONS

1. Dangerous Weapons in the schools and related activities - Carrying to school, possessing and/or giving to any person any firearm or object which may be considered a weapon or dangerous plaything shall be a violation of School Board Policy.

NOTE: Any pupil alleged to be in violation of this provision will be referred to the law enforcement officials and, if a law has been violated, charges will be filed against the person. The school will suspend the pupil from school and refer him/her to the superintendent of schools. The superintendent will decide, with the principal's input, if the student will go before the board of trustees for an expulsion hearing.

The procedure for handling dangerous weapon issues is as follows. Any step(s) may be skipped and action initiated at a subsequent step if the seriousness of the problem warrants such action.

Cheating: Academic dishonesty is taken very seriously at MVMS. Cheating or the copying of another student's test answers or homework is not an acceptable practice at Mountain View Middle School. The use of cell phones and/or texting devices is not allowed during class time and may be considered cheating. Any student participating in this behavior may receive a zero for that test or assignment.

Contraband: Items not allowed at school include but are not limited to vaporizers, e-cigarettes, lighters, and may include bandanas displayed in the back pocket.

2. Students are encouraged to dance (in socially appropriate ways), chat with friends, and enjoy the music.
3. Students who have been assigned either in-school or out-of-school suspension cannot attend the school dance.
4. There will be no promiscuous or provocative dancing. No moshing or slam dancing is permitted.
5. Horseplay, running, and wrestling are not permitted.

MVMS dances are for students to socialize with their peers. The expectation is for everyone to have fun and be safe. Therefore, repeat offenders may be placed in the detention hall until the dance has ended and/or not be allowed to attend future MVMS dances.

Behavior Requirements for Activities

Mountain View Middle School administrators may prohibit a student from attending an activity if the student is not able to behave appropriately during that activity. In addition, students may be required to meet behavior expectations to participate in a celebration activity that is presented as an incentive. Administrators may also prohibit students from participating in an event because of a recent major disciplinary action or suspension.

Dress Code Standards

Please See Blackfoot School District Policy 517 - Student Dress Code

MVMS expects students to dress in a manner which is appropriate for an effective educational environment. Following MVMS dress and grooming standards is the students' and parents' responsibility. If students fail to meet the following dress standards, they will be asked to change into clothing that meets dress standards:

- Clothing must be neat, clean, and must not distract from the learning environment.
- Clothing or apparel that advertises or displays in picture or words any of the following, but not limited to gang affiliation, tobacco, alcoholic beverages, brewery logos, drugs/controlled substances, or guns/weapons, are not permitted. (Administration will ask students to remove bandanas that are displayed in a gang-related fashion.)
- Students are prohibited from wearing clothing which reveals a student's breasts, abdomen, or buttocks. Shirts must have a modest neckline (no cleavage) and be long enough to cover the midriff

(front and back). No spaghetti straps, tank tops, tube tops, off the shoulder tops, halter tops, or muscle shirts will be allowed. No backless, strapless, or half tops are to be worn.

- Shorts and skirts must be no shorter than mid-thigh in length and/or no shorter than the fingertips when arms are hanging naturally at one's side.

The school administration or designee will make the final determination whether clothing or attire is inappropriate. This policy applies to all school-related functions and/or special activities approved by the principal. Violations will be referred to the administration or their designee for consequences (see chart below). Instances of dress code violation will result in the student being asked to change his/her shirt, pants, skirt, etc. Students will be allowed to wait in the office for one class period for parents to bring an item of clothing that is acceptable. Students will be asked to change into PE clothing (available in the office) if alternate clothing cannot be obtained from home. If a student argues/refuses to change clothing, he/she may be suspended for insubordination.

Electronic Devices/ Cell phones

Please See Blackfoot School District Policy 518 – Student Use of Electronic Communication and Entertainment Devices.

Students are not allowed to have or use any electronic device unless a teacher has instructed them to use their MVMS assigned iPad for the lesson. This includes any electronic device that records, transmits texts, or displays images. **Devices are not allowed in classrooms, locker rooms, or restrooms.** Devices including cellphones may be considered a nuisance item and staff may take away the device if students do not follow guidelines. Students are allowed to use their devices before and after school.

Devices will be taken from students and parents will be contacted for privacy violations, threats or intimidation, or dishonest or illegal actions.

Consequences for any other violations including using a device at an inappropriate time will be as follows: 1st and 2nd offense – phone goes to the office and will be picked up at the end of the day. The 3rd and 4th offense-admin will contact the parent to arrange a pick up of the device.

If a student argues with an adult about their electronic device, there may be further consequences.

Fighting

All students attending Mountain View Middle School will be free from intimidation by other students. Any form of fighting, unnecessary roughness, pushing and/or shoving, or harassment on the part of a student will not be tolerated. An infraction of this rule either in the building or on the school grounds will be referred to the administration. Violations will be treated in the following manner:

- 1st Offense – Will result in a 3-day suspension.
- 2nd Offense – Will result in a 3-day suspension.
- 3rd Offense – Will result in a 5-day suspension.
- 4th Offense – Will result in a 5-day suspension.
- 5th Offense – Meet with parents to notify them and then refer to the superintendent and the board of trustees for possible expulsion.

All incidents of fighting will be referred to the school resource officer for investigation and possible charges to be filed. A meeting with the suspended student, his/her parents, and the administration must be held prior to the student being readmitted to school.

Students involved in recording, promoting, and/or cheering on a fight may also face disciplinary action, which may include suspension.

Gangs/Hate Groups (BSD Policy 549): A group of two or more people who form an allegiance and engage in a range of disruptive behaviors that include violent or unlawful activity, or which advocates hatred or discrimination based on race, religion, sex, national origin, or disability, will not be tolerated at MVMS.

Insubordination/Willful Disobedience: Students are expected to follow instructions of school or district staff while they are at school, on school grounds, or while riding on a school bus. Not following instructions of staff members may result in a disruption to the learning environment or a safety hazard. Insubordination/willful disobedience will not be tolerated at MVMS and will result in serious consequences, which may include suspension.

Pornographic Materials: Students in the possession of pornographic materials at school will be suspended from school for at least three days. Possession includes items found in their locker, backpack, binder or notebook, or book in their possession, or found on an electronic device. Students may also be referred to the School Resource Officer.

Profane Language: The use of profanity/obscene language at Mountain View Middle School, on the school grounds, on school buses, or during activities sponsored by the school is unacceptable. Students who abuse this rule will be disciplined by the school administration. Repeated offenses will result in suspension and/or referral to the MVMS Discipline Committee.

Relationships: It is expected that all students will observe acceptable standards of behavior while at school. Students who are overly affectionate or familiar with each other create embarrassing incidents for other students or school employees. Students engaged in such action (a public display of affection or “PDA”), including hand holding, will be warned first and then referred for disciplinary action if necessary.

Skateboards/longboards/rollerblades/Heely shoes/scooters/bicycles: Students are allowed to bring skateboards, roller blades, and bikes to school. However, if a student elects to bring these items to school, he/she accepts responsibility for their security. Bikes are to be parked and chained in the bike racks in front of the school. Skateboards and rollerblades are to be placed in the student’s locker and left there until the student leaves the building at 4:00. These items are not allowed to be ridden on school grounds. Upon arrival, when students get to the front entrance of the parking lot driveway, they are to walk the rest of the way to the building. Once students leave the school, they are not to ride on these items until they get to the road. This is for the safety of all students. Riding inside or outside the school building is not allowed. Violation of these guidelines may result in the confiscation of above items.

Vandalism/Destruction of School Property: Pupils who willfully destroy school or individual property through vandalism, carelessness, or rowdiness will obligate themselves and their parents/guardians to be financially responsible for the repair or the replacement of the damaged property. When the need arises, there may be a reward offered for students who turn in the names of persons involved in vandalism. Payment of the reward will be the responsibility of the person(s) involved in the vandalism.

Grades/Grading

Grading Scale:

Honor Roll: Honor roll status will be awarded at the end of each trimester of the school year to those students who have a 3.5 GPA or higher, on a 4.0 scale. Trimester grades will be used to determine those students earning honor roll status.

Incomplete Grades: A student whose work has been clearly satisfactory up to the time of an unavoidable absence and is behind in his/her work at the end of a grading period, will be marked with an "I" (Incomplete) on the report card. The "I" will be replaced by the letter grade earned by the student when the incomplete work is made up or the time period to make up work has expired.

Incomplete work must be made up within 10 days of the student returning to school. It is the teacher's responsibility to see that new grades have been turned in to the office.

A student who has been in regular attendance and whose work is incomplete without justification WILL NOT receive an incomplete grade. That student will receive the grade earned based on the work completed, even if the grade is failing.

Promotion Plan: Students are required to pass all core subject classes (language arts, math, science, and social studies) to move on to the next grade. Mountain View Middle School may provide an opportunity for students to recover credit and there may be a cost involved.

Summer School: Summer school will be available for those who are behind in credits. Summer school is held for two 3-week blocks during the summer months of June and July. Each block runs for three weeks from 8:00 am -1:00 pm, Monday through Thursday. As soon as your student is finished with his/her credit recovery, he/she may stop coming to summer school. Until all credits are recovered, students are required to attend summer school at Mountain View Middle School. Parents will be notified in May or early June if their student will be required to attend summer school.

Students who are home-taught are expected to be taught from the state curriculum and should be kept at the appropriate grade level, pending the student's return to the public schools. The responsibility for curriculum materials and textbooks is that of the parent(s) in home schooling situations. When a student returns to MVMS after a period in homeschooling, the parent and school will meet to determine the appropriate grade placement for the student.

Grades from home schools will not be noted in the school's or district's permanent records.

Those homeschool students who attend Mountain View Middle School for only one or two periods per day are responsible for being aware of any revised assembly school schedule changes ahead of time.

Immunization Policy Guidelines:

Idaho state code requires parents to provide school authorities with immunization information when enrolling a child in any Idaho school. Proof of immunization must be received upon first admission and prior to attendance. If school authorities do not receive immunization information prior to attendance, the child must be denied attendance until the information is received.

To enroll in Blackfoot District No. 55 schools, children must show proof of having received or be up to date in receiving the following immunizations: 4 DPT, 3 Polio, 1 MMR, 3 Hepatitis B.

In addition, new state immunization requirements (as of 2011) require all incoming 7th Graders to have the following immunizations in addition to school-entry requirements:

- 1 Tetanus, Diphtheria, Pertussis (Tdap)
- 1 Meningococcal

The school district will accept the following as proof of immunizations: school records, statements signed by doctors or their designees, and/or statements signed by the local health department. Immunization certificates are available at the Idaho Department of Health & Welfare.

Exemptions will be allowed for medical, religious, or personal reasons. Exemption forms are available at the schools. Parents who choose to sign an exemption form should know that their child may be excluded from school in the case of a disease outbreak if adequate documentation of the required immunization is not on file or provided to the school.

The Bingham County Health Department will be asked to hold immunization clinics on the spring and fall registration days for kindergarten students and the fall registration day for elementary students.

If a child has started, but not completed, the required number of immunizations, a "Schedule of Intended Immunizations" needs to be established and followed. If a parent does not follow through with

the schedule of intended immunizations and provide verification of each immunization as it is given, the child must be denied attendance until verification is provided. Schools can exclude children who are not up to date, in the process of being immunized, or have not received an exemption.

Lockers: As often as possible, all students will be assigned their own locker for the storage of books and other personal belongings. Under no circumstance should a student move from their assigned locker without permission from the office nor should they give their combinations to any other student.

Mountain View Middle School reserves the right to inspect/search lockers when it is deemed in the best interest of the school and student body.

Mountain View Middle School is not responsible for lost or stolen articles left in lockers.

Students may put personal shelving in their lockers. Pictures of a profane or suggestive nature are not allowed.

Physical Education Lockers:

Students will be provided a locker in the physical education locker rooms in which they can store their clothes during the trimester they have P.E. Students are to use school locks only in the locker rooms.

Mountain View Middle School is not responsible for lost or stolen articles left in lockers.

Scheduling

Each student's schedule is available to students and parents through Infinite Campus. MVMS also passes out schedules to students the 1st day of each trimester and to parents at parent teacher conferences. Classes are scheduled according to student preferences indicated on registration papers.

Class Change Procedure:

All class changes, except item 3 listed below, must be initiated within three (3) days of the start of a trimester and must follow the outlined procedures:

1. The MVMS Request for Change of Class Form must be filled out and signed by a parent if the student or parent initiates the change.
2. If the change is due to registration errors or miss-assignment, the Change of Schedule Add/Drop Form will be signed by a counselor and the teachers involved.
3. Parents who initiate class changes in order to change their student's teachers must work with the school administration and counselors. Both teachers involved must sign the MVMS Change of Schedule Add/Drop Form.
4. Class changes initiated by a teacher will only be acted upon by the counselor after the teacher has contacted the parent/guardian and the change of schedule form is signed by both teachers involved.

Miscellaneous

Alternate Classroom: Mountain View Middle School's Alternate Classroom is located behind Mountain View Middle School in its own building. This classroom is designed for students who need an alternate educational setting for instruction. The alternate classroom schedule will be different from the regular Mountain View Middle School schedule. Students can be placed in the alternate classroom at any time during the school year. Parents will be notified when an alternate placement is being considered. Students will be given the opportunity to end their alternate placement at the end of a trimester provided their academic performance and behavior have improved. All alternate placement decisions will be made by the administration in consultation with the parents, the RTI Team, and the teachers of each student.

Awards: Mountain View Middle School believes in recognizing and rewarding the positive achievements of each deserving student. Each spring students will be recognized who have brought positive recognition upon themselves and the school throughout the year. Recognized areas may include but are not limited to: academic honor roll, extracurricular achievement, departmental awards, Presidential Academic Excellence Improvement Awards, and attendance.

Changing Money: It is not possible for change to be given, or checks cashed for students at MVMS.

Hall Passes: Students are not permitted in the halls during class time unless they are accompanied by a teacher or other staff member or have a hall pass (lanyard) from an authorized staff member. Students will also be issued a MVMS Hall Pass punch card at the beginning of each trimester. Every time a student asks to leave the classroom, the teacher will punch his/her card. Students are allowed nine punches per trimester. ★ Students who misuse hall pass privileges to avoid class, break rules, wander, or socialize will lose hall pass privileges and may have to be escorted in the halls by a staff member. Students who have lost or used up their pass will have to wait to leave class until a staff member can monitor them.

Called to the Office: Students leaving class to check out of school do not need to have their hall pass punched. When students are called to the office by a staff member, they will need to take the teacher's lanyard pass with them and the teacher does not have to punch their pass. Counselors and principals will send a note back to class with the student if they've kept them out of class longer than 3 minutes.

Emails & Google Accounts: Students at MVMS have access to a district Google account allowing them to access assignments posted on Google Classroom, send and receive emails within the district, and do research for assignments. This privilege will be suspended if a student misuses, is inappropriate, or causes disruption to the learning process through this account. A student suspended from the Google account will do work on paper copies provided by the teacher.

Internet Usage: Students using the internet and any technology will be required to conduct themselves in a responsible fashion as per District #55 Internet and Technology Policies. Any misuse of this technology will result in the student being disciplined as per district policy and may include loss of all Internet and technology privileges.

Internet agreements must be signed by students and parents for a student to be eligible to use the internet at school.

Library: Students are welcome to use the library between the hours of 8:15 a.m. and 3:50 p.m. each school day. Students can have two books checked out in their name at a given time. Books can be checked out for 10 school days. The due date is stamped on the date-due slip inside the book. Students can renew their books if more time is needed. Students are encouraged to visit the library regularly.

Overdue books are assessed a fine of \$0.10 (ten cents) for each day they are overdue. Students are responsible for any book checked out in their name. If books are lost while checked out, it is the student's responsibility to pay the replacement cost of the book. Late fee or missing book notices will be sent home with the student at midterm and again at the end of each trimester. THESE FEES ARE EXPECTED TO BE PAID.

Lost and Found: Students who find articles of clothing, schoolbooks and/or materials, or other personal items are asked to turn them in to the office. All lost and found articles will be kept in the office until the end of the year. Unclaimed articles will be given to a local thrift store if they have not been claimed by June 15th of each school year.

Parent/Teacher Conferences: Mountain View Middle School will hold parent conferences 3 times a year. Notices of conferences will be announced to students, parents, and the school district. Please contact your student's teachers often if there is a concern. You may access Infinite Campus at any time to view your student's grades and attendance.

Prescription Medications: Parents must fill out the necessary paperwork, as per district policy, in order for medications to be held in the office and disbursed by the office secretaries.

Students taking prescription medications, except inhalers, are not allowed to leave them in their lockers OR to keep medications with them. Students are required to check their prescriptions in at the office and have the office dispense medication from there.

It is against Blackfoot School District policy to provide any over the counter medication to students. If parents feel their children are in need of any type of medication, parents need to bring the medication in and place it in the office for the child.

Sales at School: The only items that may be sold at MVMS are those sponsored by the school or a school organization. All sales are subject to approval by the building principal.

Testing (State of Idaho): Mountain View Middle School participates in the mandatory Idaho State Testing. All students enrolled in Mountain View Middle School will participate in taking these tests. The testing schedule will be announced at a later date.

TITLE IX – COMPLIANCE STATEMENT: In accordance with the Title IX of the Educational Amendments of 1972, PL 920318: “No student will be denied admittance to any class or extracurricular activity based on color, race, national origin, religion, age, sex or exceptionality.”
