Fax: (208) 785-8823

Parents and Guardians,

It has been a blast having all of our students back at Mountain View Middle School this past week! We are grateful for our students and families and appreciate you choosing MVMS. We have amazing students, and we know it is going to be a fantastic year!

Security Update: On August 18, 2026, our Superintendent shared the following information with parents and guardians

"Please be advised we are adding a 'buzz-in' entry to each of our schools. When installed, we are waiting on a few more components to arrive, you will be required to buzz a unit near the door and someone will ask what you are desiring. If they feel comfortable, you will be buzzed in. Sorry for a little inconvenience, but it's worth it for some added security."

Beginning tomorrow, September 1, 2026, Mountain View Middle School will begin using our new buzz-in entry system.

When visiting MVMS, parents, guardians, and other visitors will need to use the buzzer to contact the school secretary before being admitted into the MVMS foyer. **The buzzer is located between the front double doors at the main entrance of the school.**

We apologize for any inconvenience this may cause and appreciate your patience as we implement this additional security measure. The safety and security of our students and staff will always be a priority at Mountain View Middle School.

As a friendly reminder, if you need to contact your student's teacher during the school day, please call the MVMS office and we will be happy to get them a message. You may also contact teachers directly through email.
