Dear MVMS Parents, Guardians, and Staff,

We hope everyone is having a great week at Mountain View Middle School! Things are going well, students are settling into their routines, and the leaves are beginning to change. Fall is definitely here!

As the mornings continue to get cooler, please make sure your student brings a **jacket or sweatshirt** to school when needed. Students may be outside before school, during FLEX, and at lunch, so we want everyone to be prepared for the changing temperatures.

Friday School Begins This Friday – October 2

MVMS Friday School will begin **Friday, October 2, from 9:00 a.m.–12:00 p.m.** Friday School is an additional opportunity for students to receive academic support and make up missing work.

- Three general education teachers will be available to help students with homework and missing assignments.
- If your student needs to take a test or complete a specific assignment, please notify the teacher ahead of time so materials can be prepared.
- Parents/guardians are responsible for transportation to and from Friday School.

We hope students will take advantage of this opportunity when they need a little extra time and support.

MVMS Fall Parent Night – Thursday, October 8

We invite all MVMS parents and guardians to attend our **Fall Parent Night on Thursday, October 8, from 5:00–7:30 p.m.**

Parent Night is a great opportunity to **visit with your student's teachers, receive a current progress report, discuss your student's academic progress, and see some of the great things happening at Mountain View Middle School.**

We value the partnership between our families and school and hope you can join us!

MVMS Wrestling

The official MVMS wrestling season begins in October. Before the season starts, **optional preseason conditioning** will be held at MVMS (behind the school):

**October 5, 6, and 8
4:30–5:30 p.m.**

These sessions are optional and will focus primarily on running, conditioning, and helping students get into shape for the upcoming season.
